

Bookkeeper in a Box™

The First Truly Done-For-You Bookkeeping Business

Bookkeeper in a Box™ is the fastest, most supported path to owning a profitable bookkeeping business—without guessing, scrambling for clients, or piecing together systems on your own.

This is not a course.

This is not coaching alone.

This is a **fully built bookkeeping business**, handed to you with paying clients fed to you at a pace that works for you!.

If you want to focus on serving clients (not chasing them), this is for you.

What's Included

Bookkeeper in a Box™ includes **everything** from our **Preferred Partnership Program**, *plus* the tools, assets, and hands-on support that eliminate overwhelm and accelerate success.

A Complete Business—Set Up for You

- All core **software programs we use and trust**, fully implemented
- A **professionally built website**, ready to go
- Proven workflows, systems, templates, and scripts
- Pricing guidance and service structure already dialed in

Clients Delivered to You

- **10 paying bookkeeping clients hand-delivered** to you
(These are real clients—not leads or prospects)
- You step in ready to service, not sell

Personally Branded Authority Assets

- Your own **Guide to Basic Bookkeeping**, professionally branded to *you*
- **25 printed copies** included—perfect for client onboarding, referrals, and credibility

Ongoing Support & Accountability

- **Monthly check-in calls with Melissa** to keep you focused, confident, and moving forward
- **Unlimited team support for 12 months**—you're never stuck or guessing

- Help with questions, workflows, client situations, and software as they come up

Exclusive Invitation to In-Person Meet the Team Events

Get the chance to meet with Melissa and other Boxers in person and enjoy networking, over breakfast, lunch or dinner.

Why Bookkeeper in a Box™ Works

Most bookkeeping programs teach *what* to do.
Bookkeeper in a Box™ **does it with you—and for you.**

You skip:

- Trial and error
- Client acquisition stress
- Tech overwhelm
- Confidence gaps

And step directly into:

- A real business
 - Real income
 - Real support
 - Real momentum
-

Who This Is Perfect For

- Aspiring bookkeepers who want a **shortcut to income**
 - Experienced bookkeepers ready for a **simpler, scalable model**
 - Professionals who want a business that fits their life—not the other way around
-

The Bottom Line

Bookkeeper in a Box™ hands you the keys to a functioning bookkeeping business:

- ✓ Systems
- ✓ Software
- ✓ Support
- ✓ Clients
- ✓ Confidence

All you need to do is **show up and serve your clients**—we've taken care of the rest.
